

# Drew T Ernst

---

## Professional Summary

Experienced professional with a diverse background in leadership roles spanning fleet management, loss prevention, hospitality, and golf operations. Currently specializing in frontend development and software engineering, with expertise in creating user-focused websites and applications. Adept at problem-solving, client communication, and leading projects from conception to execution. Passionate about technology and committed to continuous learning and professional growth.

## EXPERIENCE

### Frontend Developer & Software Engineer

Self-Employed | Quincy, IL | 2024-Present

- Develop custom websites and web applications tailored to clients' needs, utilizing HTML, CSS, JavaScript, and modern frameworks like React and Vue.js.
- Work directly with clients to define project requirements and deliver polished, user-friendly products.
- Implement responsive design principles to ensure cross-platform compatibility.
- Troubleshoot and debug code to improve functionality and user experience.
- Manage full project lifecycle from initial concept to launch and ongoing maintenance.

### Director of Golf

Hannibal Country Club | Hannibal, MO | 2022-2024

- Oversaw daily operations of the golf course and manage a team of staff, ensuring smooth execution of golf events, tournaments, and member services.
- Managed the club's budget, membership, and customer relations to maintain high satisfaction levels.
- Coordinated with vendors for supplies, equipment, and event logistics, maintaining a high standard of service and quality.
- Developed marketing strategies to increase member engagement and attract new players to the club.
